Let's Talk

Let's Talk is a program that provides **free** drop-in consultations for GW students. No appointment is necessary and students are seen on a first-come, first-served basis. Just come in for an informal, friendly, and confidential consultation. Speaking with a counselor-consultant can help provide insight, solutions, and information about other resources on- and off-campus.

Let's Talk is not a substitute for formal counseling and doesn't constitute mental health treatment, but the counseling-consultants can listen, provide support, and introduce you to what it's like to speak to a member of our counseling staff.

- i** All GW students are welcome to come in to any of our Let's Talk locations. For further information or questions, please contact counsel@gwu.edu.
