STUDENT INSTRUCTIONS FOR PURSUING A MENTAL HEALTH WITHDRAWAL

1. Complete and submit an Exception Request form to the Office of Advising at your respective college.

2. Complete the Self-Assessment form. This form should be thorough and detailed. Please address the specific concerns and symptoms and how they impacted your academic functioning during the semester in question.

3. Complete each applicable segment of the Authorization to Disclose Mental Health Information form (also known as the Release of Information form).

4. Collect all supporting documentation substantiating an emotional/mental health concern. This can include hospital paperwork and letters from current/past treatment providers. The documentation should be on letterhead and signed at the bottom. Treatment providers supplying documentation should be licensed or board certified and qualified to render a professional opinion. The provider must not be a family member, relative, significant other, or family friend of the student.

5. Obtain an unofficial copy of academic transcripts. This can be obtained through GWeb.

6. Return the completed packet to Mental Health Services (MHS) via email (counsel@gwu.edu), fax (202-994-5267) or by delivering the packet to the Colonial Health Center (Marvin Center, Ground Floor).

7. Once the completed withdrawal packet is received by MHS, a clinician will contact you within five to seven business days to schedule the Mental Health Withdrawal Assessment.

- All paperwork should be completed and provided to the MHS clinician prior to the assessment.
- There is a $60 assessment fee per session due at the time of service. For convenience, the fee can be billed to student accounts. Students can submit a fee reduction form with appropriate documentation.
- Mental Health Withdrawal Assessments must be scheduled and cannot be conducted on a “walk-in” basis.
